Presentation

Good Afternoon Dina,

Still receiving the same error messages -

Your work has been saved, however, you must address the following item(s) before you can submit your application:

"IP Employees Attending" is required.

"Previous Request and Donation Summary" is required.

"Form 990" is required.

"Current Year W-9" is required.

"Operating Budget" is required.

"Contributions to the Organization" is required.

"Current Funders" is required.

"United Way Funding" is required.

"Top 3 Paid Staff" is required.

"Do any current International Paper employees volunteer for your organization? " is required.

"Does International Paper have permission to use photographs, logos, published or printed information, and any other materials you supply in traditional and social media without further notice? " is required.

As I stated before we are just a conduit for this donation are we required to give all the information above? And, it still is requiring the name of the IP member that attended. How should I proceed, my understanding is I have a short threshold to get this information in and processed. Thanks for your assistance.
